

Biology Science Class

Textbook: Apologia Exploring Creation with Biology by Jay Wyle: (1st or 2nd edition)
Apologia Exploring Creation with Biology Solutions and Test Manual.

Students: 9th Grade and up

Meeting Times: Weekly. Still determining time and place. We will cover a module every two weeks. Class time will focus on experiments and review of current module.

Costs: \$5.00 per class payable at the beginning of each semester.

Instructor: Laura McAtee, 667-1718, email: lala1986@gmail.com

Expectations: Students are expected to come to class prepared, bringing necessary supplies and having completed any given readings or assignments. Quizzes will be administered in class. Tests will be administered at home with parent.
